

**MyDay is a modular, tamper-resistant system for displaying pinboards within a durable, extruded aluminum frame.**

**MyDay** is a modular tamper-resistant system for displaying pinboards.

Displays are captured securely utilizing an extruded aluminum frame, but can be removed and changed or replaced with a unique lift-and-pull technique. Should a display become damaged or if a change is desired, the update is fast and easy.

**Standard Frame Sizes**

- Heights: 20", 24", 30", or 36"
- Widths: 20", 24", 30", 36", 48", 60", 66", or 72".

**Frame Shape**

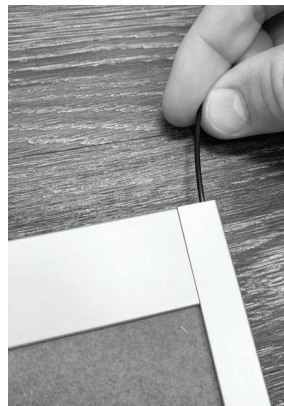

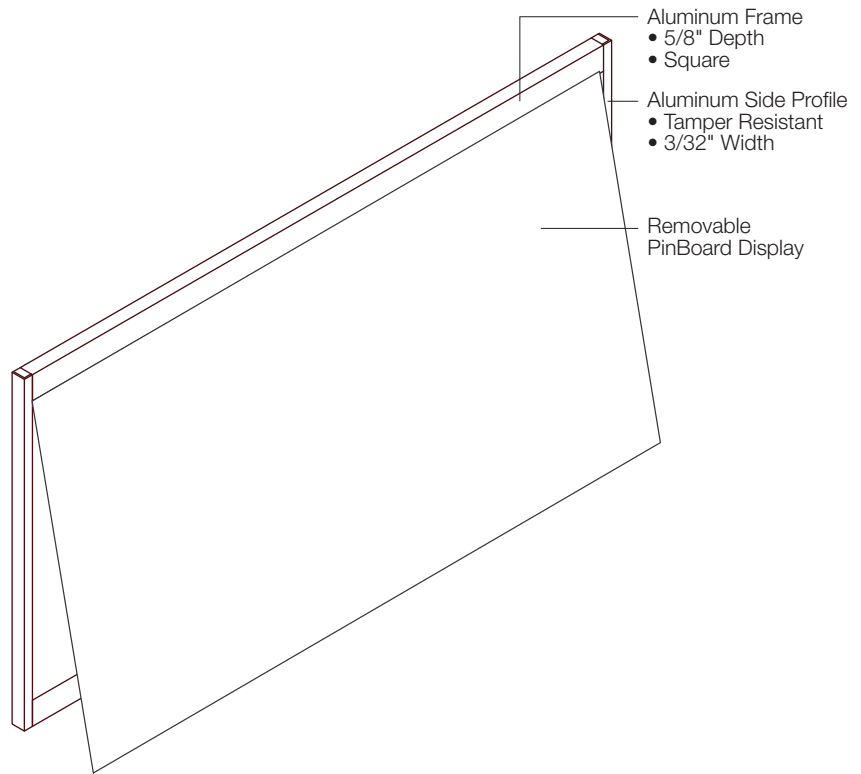

Square: **MDS**

**Frame Finishes**

- Natural Satin Anodized (standard)
- Painted
- 44+ *Standard or Custom*

**Display Options**

- Fabric Covered PinBoard

Using a unique tool, a concealed tamper cord can be removed from the aluminum edge profiles of the frame assembly.

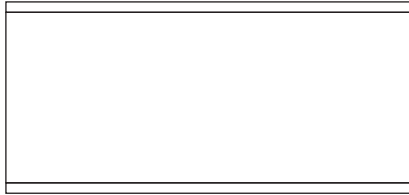

Once the cords are removed, the aluminum edge profiles can be lifted from the assembly.

With the aluminum edge profiles removed, the pinboard display can now be easily removed from the frame.

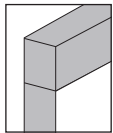

## MyDay Frame

Custom sizes and configurations available on a project-specific basis.
